

You may want to photocopy these pages so you have several cards to work with on your project.

By the way, all the titles in this appendix are made up. Some of these might sound like fun things to read, but exist only in our minds, not in any libraries.

### Reference book articles with no author given

(encyclopedias, yearbooks, almanacs, etc.)

Source card for a reference book article with no author given

Title of article \_\_\_\_\_

Reference book \_\_\_\_\_

Year of edition (ed.) \_\_\_\_\_
